Percent satisfied with school-home relations	82.1%	76.5%	82.0%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2011-2012 school year at Lewisville Elementary has been one filled with lots of collaboration, excitement, achievement and challenges. Improving student achievement continues to be a top priority. Again, we are fortunate this year to receive the Palmetto Silver Award for general performance. This accomplishment is accredited to the commitment and dedication of each member of the Lewisville Elementary family.

Our vision is to create a culture of collaboration and team building, which will ultimately promote a professional learning community. All teachers serve on various teams to ensure the needs of the whole child are addressed. Collaborative teams included: School Leadership Team, Data Team, Professional Development and Training Team, Response to Intervention (RtI) Team, and Climate Team. It was through on-going team and grade level collaboration, Lewisville Elementary was able to target the individual needs of students as well as professional development for teachers.

Our outstanding Parent Teacher Organization (PTO), parent volunteers, community volunteers, and local businesses all work hard to help improve student achievement. The dedication and fiscal support of these individuals helped to enhance and build the instructional programs and activities at Lewisville Elementary.

Students at Lewisville continue to have extra-curricular activities. Students in grades four and five performed their first musical, Annie Jr. In addition, we had several students who participated and received top recognition in the Superintendent's Art Show. Other opportunities included: Student Council, Flag Patrol, Safety Patrol, Cub Club, and Mileage Club, Wee Deliver mail system, WLES morning television show and Gifted and Talented in the Arts.

We continue to grow teacher leaders at Lewisville Elementary. As part of the NetSCOPE partnership, in conjunction with Winthrop University, teachers are afforded opportunities to mentor and train interns. They are also provided with a myriad of professional development opportunities in many content areas. In addition, professional development is often teacher driven as well as teacher led. Teachers continuously review data from needs assessment surveys to determine areas of concern, which has been a major responsibility of our Professional Development and Training Team.

Lewisville Elementary strives to increase student achievement by promoting a collaborative learning environment. With strong support of parents, community, and a dedicated staff, Lewisville Elementary continues to serve students in a nurturing, caring environment, ensuring success to each individual child.

Wanda Frederick, Principal
David Loftin, School Improvement Chairperson
